Buddy Team Challenge

Sponsored by KEVA Planks

Buddy Teams participate in the Buddy Team Challenge on Tournament Day. A fun event that teams can work on throughout the day. It takes approximately an hour and a half to complete. This year's challenge:

ART IN MOTION

The DIVA Museum of Art is adding a new wing dedicated to creativity and imagination. Your Buddy Team has been asked to create a work of art to be included in the addition. Working together, your team will put your Art in Motion.

This year's appraisers are representatives from the Schill Family and DI Virginia.
